Dr. Anita Lui

New-York Presbyterian Queens

56-45 Main St

Queens, NY 11355

Dear Dr. Lui,

I am a Physician Assistant student graduating in February 2021, from City University of New York- York College, and I am submitting my credentials for the open Physician Assistant position in the Department of Emergency Medicine at New-York Presbyterian Queens.

I completed my Emergency Medicine rotation at New-York Presbyterian Queens from September 21st 2020 to October 16th 2020. I truly enjoyed my time there and the training experience I received working alongside the ED team. The teamwork and work environment in the department is something I valued and want to be a part of. During my time as a temporary part of this team, I was able to familiarize myself with the workflow, the patient load, and recognizing patients that need immediate care.

Through my clinical experience, I've developed the ability to establish great rapport with my patients, their family members, and my coworkers. I am a hardworking and motivated team player and trust that I would be a great addition to this department. In addition, I believe this position would help me improve even more as a provider and build the career I have been looking forward to.

I welcome the opportunity to discuss my qualifications and career possibilities with you, at your convenience. You can reach me at (PHONE #) or via email at (EMAIL).

Sincerely,

Raghda Elshafey
